December 4, 1965 Vol. 5-45

## SWIMMING POOL SITE TROUBLES

### Council Meeting held November 22nd-Cont.

**Skating Rink Maintenance** - The Finance Committee was advised that by (Res. 3006 of Council meeting November 16th, 1964, one rink should be tendered out for maintenance, on an experimental basis. The Committee however, was of the opinion that not too much would be achieved by tendering this work. The recommendation of the Committee, to Council, was that the Town continue its own maintenance of skating rinks. Council accepted the motion by Councillor Donais that the recommendation of the Finance Committee be accepted.

**Union of Alberta Municipalities re: Legal Advice** - Mr. Wheatling presented a letter to Council from the Union of Alberta Municipalities regarding the possibility of engaging a Solicitor who will be available to members of the Union, for the purpose of administering casual legal advice, for a small fee. Court cases would not be handled under this programme, but any questions or problems of a simple nature would be rendered assistance. The Council in general felt that the Town would not benefit too greatly from this service and so the following resolution was presented: Councillor Bakker moved that we advise the Union of Alberta Municipalities that we will retain our present system obtaining legal advice and that we would like to be kept informed as to developments with regard to this particular item.

**Calgary Power Ltd. - Franchise Renewal** - Mr. Wheatling presented the letter to Council outlining the contents. Mayor Fowler suggested he would like to see this letter circulated to all members of Council for further consideration. He further suggested that a tentative date had been set up for a meeting with the representatives of Calgary Power Ltd. Mr. Wheatling advised at this point, that this was now a firm date, and that a letter to this effect would be forwarded to the members of Council. The date was set up for Tuesday, November 30, 1965.

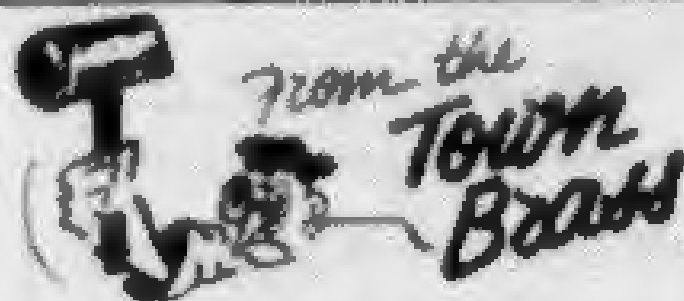

**St. Albert & District Chamber of Commerce - Christmas Tree** - A letter from the above was read to Council, stating that the Chamber of Commerce wished to gain permission to erect a Christmas Tree in the centre of the intersection of St. Anne and Piron Street. Also was enclosed a letter from the local R.C.M.P. advising that in their opinion, this would be quite safe traffic-wise. After further discussion of the matter the following resolution was presented: Councilor Bakker moved that the St. Albert & District Chamber of Commerce be notified

that this request is to be denied. **Snow Removal - Weekends** - Councillor Wheatley raised the question as to what procedures were taken if there should be a heavy snow fall after 12 noon Saturday at which time the regular staff would be at a minimum. Just what measures would be taken to clear the streets. The Town Engineer assured the Council that the Engineering Department is making every effort to keep the streets cleared, and if in the event of a heavy snow fall should occur during the weekend, the

*continued on page 2*

Winter Wonderland at Grandin Place in St. Albert.

staff would be called out for street clearing and of course, be paid overtime accordingly.

**Speed Limit - Highway** - Councillor Gibbon queried as to whether the section of highway presently marked by the "40 mile per hour" sign, could not be raised to "50 miles per hour" in accordance with the balance of the highway in the area of the Cemetery. It was suggested that perhaps when the new highway section, in the City limits, were completed, this might be reviewed.

Councillor Gibbon further brought to the attention of Council, that the "40 miles per hour" sign just outside the limits of the Town of St. Albert, had either been knocked over, or removed, but whatever it was, the staff would look into the matter.

Also the matter of the flood light, on the Esso Service Station site on the highway, shining directly into the eyes of motorists travelling north on the highway, was brought up. It was suggested that a complaint could be forwarded to the Safety Engineer, of the Department of Highways, and that they would look into the matter.

**Special Council Meeting, November 23 and 24th, 1965**

**Swimming Pool** - Mayor Fowler advised Council that Corrbild Engineering Co. Ltd., was attending this meeting to present to Council for its consideration, plans for the swimming pool. Mayor Fowler further advised that he had pointed out to Mr. Naoum, of Corrbild, that there would probably be no decision made at this time, however Council could consider his plans and make recommendations or suggestions as they saw fit. Mayor Fowler then asked Mr. Naoum to make his presentation. Mr. Naoum presented drawings of the proposed Sports Complex, and in particular, the swimming pool. After a very lengthy discussion and much consideration of these plans, the Mayor thanked Mr. Naoum for his presentation. It is noted here that Mr. Naoum stated he would be able to supply final design plans and specifications by Monday, November 29, 1965.

Mayor Fowler advised Council, that there had been further negotiations on the land acquisition, and that the Council adjourn to Committee.

Mayor Fowler circulated copies of the Agreement entered into by Associated Investors of Canada Ltd., and the Separate School Board, and presented preliminary plans of the properties involved showing which property would be exchanged. Mayor Fowler pointed out that in the Agreement there were certain clauses which required the Town's approval before the

Agreement would become effective between the two parties. Council unanimously agreed that the Town could not accept the proposal on these conditions at the present time because of present Town policies and also because there is doubt that the Town has the authority to grant certain concessions that were called for in the Agreement. Considerable discussion followed dealing with the immediate building of the swimming pool on a different location as versus the idea of waiting to acquire land which would be of sufficient size as to permit the future final expansion of the project to the full Sports Complex. It was pointed out that in the by-law, that has now been approved by the Local Authorities Board, if there were any changes from a pool as the first stage of a complex to swimming pool alone, then we would require the approval of the Local Authorities Board to alter the present by-law, and that this alteration would most likely require re-advertising for thirty days. After a great deal of consideration and discussion of the swimming pool and sports complex proposal, it was generally agreed that the Town would continue to make efforts to acquire the complex site in the location as outlined in the aforementioned Agreement. This would mean that construction would not be started in the winter of 1965-66. Therefore, a pool could not be available for the 1966 summer use as was anticipated. Councillor Bakker moved that the Town advise the St. Albert Protestant Separate School District #6 that the Agreement terms that the Town would have to comply with are not acceptable to the Council. Motion Carried.

Councillor Bakker moved that the Mayor, with whom he feels might assist him, to look into this Agreement for possible changes, and to report back to Council. Councillor Bakker moved that Mr. Beaton be advised that there is no need at this time, to meet with him, but that we hope to meet with him at a later date. Carried. Councillor Gibbon moved that if the pool is not dealt with at this time of year, it should be noted that the Town will look into the possibility of the construction of a covered pool during the regular summer construction season, providing the Town feels they can afford this. Carried.

Councillor Wheatley moved that the Town not proceed with the construction of the swimming pool until such time as the site is obtained on conditions acceptable to the Town. Carried.

Councillor Wheatley further raised the matter of the residents of the Town being made aware of the decision of Council regarding the swimming pool. Mayor Fowler advised Council that he had intended to make a statement to the ratepayers in this regard.

### Let Cubs and Scouts Bottle Drive

Saturday, December 4th in the morning boys in uniform will be knocking at doors asking for your empty bottles which you must be wanting to get rid of. They will use the money on the refunds for funds necessary to further their Scouting program. Your co-operation will be greatly appreciated.

**Catholic Women's League Meeting** - Monday, December 6th. The Holy Sacrifice of the Mass will be celebrated at 8 p.m. The Ladies will meet in the Basement Parish Hall at 8:30. Guest Speakers will be Mr. V. Malory, Superintendent of St. Albert Public Schools, and Mr. Max Gibb, Recreation Director.

**Star of the North Retreat House** - The Men's Retreat (French) held November 12 to 14 was a definite success. Thirty-four attended. After the first night of registration the first day was spent in discussions for those who had not attended before with a spiritual program following. The second day followed a regular retreat schedule with fitting climax before retreatants' departure. The Captain's Workshop will be held on December 5th at the Club Moose. Retreatants have received the first publication of "Star of the North". It provides a most welcome link between retreatant and the Retreat House.

**Youville Home** - Celebrations have been held for the 14th birthday of Mrs. Victoria Callihoo, Friday, November 19th. Beginning on Thursday, the day before, it extended until Sunday when more were able to congratulate her, bearing gifts and flowers. On Sunday, November 25, six generations were present.

**Mr. & Mrs. Joseph Edouard Cloutier** of Lac La Pêche, celebrated their 50th wedding anniversary on November 24th. A high mass was celebrated in their honor with Rev. Father Plonthe officiating. Attending as their bridesmaid and best man were Mr. & Mrs. J. Cloutier of St. Albert. Also attending were two sisters of Mrs. Cloutier. Bunches of flowers were at the Altar of the Youville home Chapel, received from the Marguerite d'Youville Auxiliary.

A delicious breakfast was served to the wedding party and guests in the dining room. A dinner was also served after which they went out for supper - the end of a perfect day. Congratulations to Mr. & Mrs. Cloutier.

A hearty vote of thanks to the United Church group who have been so faithful in providing visitors and good cheer to the Home. Every week ten or three groups visit the lonely residents. They undertake to remember birthdays and make sure a few in the month. They often provide lunch, cake and fruit -

entertainment. Mrs. Callihoo was given a surprise birthday party on Thursday the 18th. They have toured the new Home. Their work is much appreciated by Staff and Patients.

**News of the New Home** - Work is proceeding well, though behind schedule. New furniture is arriving. The kitchen is almost complete, and laundry equipment expected. Signed lights for patients are being installed. More news to come.

**Baptism - Became Children of God** - Leanne May, daughter of Mr. & Mrs. James Murray, Godparents Mr. & Mrs. Robinson. Rev. J. Lovangie officiated.

Thomas Neil, son of Mr. & Mrs. Wild Santhe, Mr. & Mrs. Eugene Perron were Godparents. P. Krysanowski, Deacon, officiated.

Marie Clair, daughter of Mr. & Mrs. Raymond Schier, Godparents were Mr. & Mrs. J. Tremblay. Sheila Marie, daughter of Mr. & Mrs. Fred Sokenfohr, Godparents were Alvie and Agnes Sokenfohr. Leslee Jean, daughter of Mr. & Mrs. Jack Lang, Godparents were Louis Bease and Irene Tyler.

## UNITED CHURCH

The United Church Women in St. Albert are having a Pot Luck supper on December 6th at 6:30 p.m. sharp in the lower church hall. This is an important meeting as election of officers for 1966 will be held. A special Christmas session is being planned, and an evening of fellowship with some surprise entertainment. All ladies are urged to attend and any new-comers are welcome, as this evening is primarily planned to get to know each other a little better. In preparation for the beginning of two morning services and two Sunday Schools the first Sunday in January, an Intermediate choir under the leadership of Mr. Eric Robinson is underway. Fourteen young people from 17 years and up, attended their first practice last Thursday evening beginning at 7:00 p.m. We hope some of our young people will avail themselves of this wonderful opportunity to receive excellent musical training, as well as be a real help at the 9:00 service. Choir practice for this group will be held every Thursday evening at 7:00 p.m.

One monthly evening service will be conducted Sunday, December 5th at 7:00 p.m. A fellowship hour will follow the service.

## SUNDAY PROGRAM

*Junior Public Library*

On Sunday afternoon, December 5, from 2 to 3 p.m., the Public Library will present a concert. The program will be in the music room, admission free.

A choir program will be held on December 5th at 7:00 p.m. and will include the following: Psalm 139, Delectus 15 min. But for all 10 min. Judy Kynsle the Soloist and Log Grove (30 min.)

## DANCING LITES

Dancing Lites Program at Westmount Shoppers Park

Technically there are cross-over networks, amplifiers, receivers and relays...but in less technical language this is what happens. The light responds to the different notes...the yellow lights turn on for the higher, treble notes. The green and blue lights are activated by those notes that are middle range, between the low bass...and the high treble ones. This year something new has been added. The Dancing Lites also react to the intensity of the sound. In other words if the music is loud the lights will

be brighter...if it is a quiet passage the lights will dim. Since in most recordings there is a variety of intensity from full orchestra to solo instrument...vocal choir to single vocalist...the lights will dim and brighten as this intensity varies...giving the lights a twinkling effect. If there are no notes during the music in any of these ranges...the corresponding colored lights will go out momentarily....this effect together with the twinkling effect make the lights seem to dance...in time with the Signal.

## Knights of Columbus

The Recreation Board, in conjunction with the Knights of Columbus of St. Albert, is planning to sponsor a Recognition and Award Night on Saturday, February 5, 1966. The purpose of this

event is to give public recognition to the citizens of St. Albert who have done the most to enhance recreation in St. Albert in the past.

The evening will begin with a banquet at the Club Macombo at 6:30 p.m. Presentations of the various awards will follow the guest speaker.

The Recreation Board will be in charge of obtaining the guest speaker and arranging for the presentation of awards. The Knights of Columbus will be in charge of arranging for the banquet. Further details will be forthcoming, but all interested citizens are reminded to keep this coming event in mind.

## ATTENTION

The St. Albert Squires cordially invite the public to a presentation by Mr. Roland Miles on the topic of Racial Discrimination on December 7, 1965 at 8:00 p.m. in the Catholic Church basement.

#### Grey Cup - 1965

Football players in general, are chair players, fans, and eliminated teams must all have enjoyed the spectacle of another Grey Cup. I'm not a sports writer but my thoughts were all with our football team, the Hercules. I reported one of their games a year ago, because I had enjoyed it so much and felt many people would be interested. However, I had misnamed the coach's name which I would like to correct now, because if they are naming coaches of the year, I would like to name Mr. Emile Pelletier as a likely candidate. Along with his assistants and players who did the chores, he is Mr. Football in St. Albert. Thoughts of "what might have been" may come and go and football packed up for awhile, but I hope the spirit remains to begin another season in 1966. Let's not forget the lady behind the team, coach's wife, mothers, girlfriends etc., and our pride and joy, the six girl cheerleaders, who pranced and shouted their team on to victory! Relax awhile, but not too long.

Club Notes - St. Albert's Women's Institute - Members of the W.I. were in-

vited to the home of President Mrs. E. Grant so that they could meet Mrs. Hancock, President of the W.I. of Wye, England. She was chosen to meet the Queen, Prince Phillip and other members of the Royal family at a Garden Party at Buckingham Palace. This was given by the Queen for the members of each branch of the W.I. It was in commemoration of their Golden Jubilee. There were nine thousand branches represented from many parts of the world. Mrs. Hancock gave a vivid description of this event and was most happy to meet our members in St. Albert which she will report on her return. Mrs. Hancock is visiting her son, Peter B. Hancock and his wife, 23 Gilmore Crescent until her departure November 30th.

#### 2nd St. Albert Scouts & Guide Groups

December 5th at 2 p.m. - A combined Church Parade of Brownies, Girl Guides, Cubs and Scouts of the 2nd St. Albert Groups will take place at the St. Albert United Church next Sunday. Assembly will take place outside the church before 2 p.m.

"Help thy Neighbor" is receiving and coping with calls for assistance. For residents who are newcomers to St. Albert, this organization is a group of volunteer housewives who try to help where and whenever possible neighbours who in emergencies such as illness, etc. need assistance. Volunteers who can leave their homes to lend a hand while their children are in school will do so, while those who must remain at home with small tots will do their part by keeping the children of a neighbor until other arrangements can be made. "Help thy Neighbour" has been working very successfully for several months with cooperation from volunteers in areas controlled by Co-ordinator, June Leggett. Team Captains - Alice Lockhart, Sturgeon Heights; Kay Krupa for Mission Park; Brenda Parks for Braeside, and Marion Sim for Grand Park. By dialing Town Hall 599-6600, the neighbor who needs this assistance will get immediate attention from this source as her call will be relayed to

## Cherchez La Femme continued from page 10

the Co-ordinator, June Leggett. June will then call the Team Captain in that area who in turn finds someone who can help from her list of volunteers. For this system to run smoothly there should be three or four volunteers to each crescent, avenue or section. Sturgeon Heights and Grandin Park could use three Captains, each serving a portion of that area. Grandin Park and Braeside Captains need someone to replace them. June Leggett, Co-ordinator, requires someone to replace her for personal reasons. This work is not hard, but June has found it most rewarding, would be ideal for a person who is unable to leave their home for active service. You are urged to please come forward and volun-
